Refund Policy
College and Vocational Credit Courses
Automatic refunds for college credit or vocational credit course fees will not be processed until after the last day to drop a course. To be eligible for a refund, the student must drop the course(s) on or before the last day of the Add/Drop period, as listed in the Schedule of Classes. Matriculation, tuition, and lab fees paid during scheduled registration periods are automatically refundable based on the following:

Fall, Spring and Summer Terms
All fees, except the non-refundable $30 re-registration fee, are refunded at 100% if the drop procedure is completed by the established deadline in the Schedule of Classes. There will be no automatic refunds after that period.

Non-Credit Courses
To receive a refund for a noncredit course, a student must submit a refund request in writing at least three business days prior to the start of the class. No refunds will be issued after that period.
EFSC Card – Higher One
Eastern Florida State College has partnered with Higher One®, a financial services company focused solely on higher education, to provide a method of refund disbursements to students. Eastern Florida will be issuing the EFSC Card from HigherOne® as a way for students to receive refunds from the college. The EFSC Card is designed to provide students with increased choice when it comes to receiving their financial aid or school refunds — including the preferred Easy Refunds® method. Easy Refund is by far the fastest and easiest way to gain access to refund money—literally the same day Eastern Florida releases it.

EFSC Cards will be mailed to the current address on file with the college. Therefore, it is critical that a student has their correct mailing address on file.

Students can visit efscard.com to learn more about all the great benefits that accompany the EFSC Card.

Delinquent Accounts
Collection Cost: If student fees are not paid in full upon notification by the College, these debts may be referred to an outside collection agency and the appropriate credit bureaus. Resulting collection costs will be added to the original debt and the student must pay these costs, as well as attorney’s fees, if applicable. Furthermore, all unpaid obligations will result in a hold on student records, diplomas, transcripts, and future registration activity.
