

Eastern Florida State College

Nursing & Health Sciences Programs

ATI TEAS TESTING

TEAS Test Schedule is published in three cycles to meet EFSC Program Application deadlines

Winter Schedule – September 16th to February 15th

Spring Schedule – February 16th to June 1st

Summer Schedule – June 2nd to September 15th

(Schedules will be posted and available for appointment scheduling approximately one month prior to start dates)

EFSC will test students who are applying to our Health Science programs only once per calendar year. If your program permits a second attempt, you must schedule that at another facility. EFSC will not administer TEAS retests outside of the once per application cycle.

SEATING IS LIMITED! Schedule early for the best test appointment times. Rescheduling a test appointment to a later date cannot be guaranteed!

Call to Schedule an Appointment!

Students may register for a TEAS Test session by visiting or contacting their campus Testing Office

Palm Bay	321-433-5278
Melbourne	321-433-5585
Cocoa	321-433-7354
Titusville	321-433-5418

When you register, you will need to provide the following

- * Name
- * EFSC Student ID number
- * Date of birth
- * Telephone contact number
- * Program of application

EFSC will test students who have active student status and who are applying to EFSC Nursing or Health Science programs. Test Candidates must establish *intent* to apply.

***Intent* to apply may be established by:**

- Applying to a Health Science Limited Access program and paying the Application fee; or
- If status is non-degree seeking or AA, have Health Science program intent indicated as a minor; or
- Submit documentation (copy) proof of attending Health Science Orientation; or
- Submit documentation (copy) of Health Science Advisor review sheet; or
- Have a Health Science Advisor email testing department verifying discussion of student's intent.

When ATI releases test results, the receiving school also receives a short list of every time the student has taken the TEAS previously under the ATI platform. This is an ATI report policy so all schools know exactly how often their Health Science applicants have repeated the exam.

About the test....

The Test of Essential Academic Skills (TEAS) is computer based. You will have a copy of your scores when you finish your test. The maximum test time is 3 ½ hours. The questions are multiple choice, with a total of 170 questions.

The TEAS measures basic essential skills in the academic content areas of reading, mathematics, science, and English and language usage. It is used to measure entry level academic readiness for Health Science program applicants. You can purchase study materials at [ATI website](#)

ATI TEAS has a built in, four-function calculator that is accessible throughout the entire exam. Pencils and scratch paper will be provided by the testing office.

EFSC Health Science program applicants may take the TEAS test at EFSC once per 12 month time period. The test scores are valid for 2 years. *Please refer to the program's selection criteria for test score requirements.*

TEAS test must be taken prior to the application deadline of the program you are applying to.

If submitting TEAS scores taken at other institutions, score report may be requested via [ATI website](#) for a fee. Verification is required to assure the same test version was administered.

A COPY OF RESULTS MUST BE INCLUDED WITH YOUR APPLICATION PACKET BY THE PROGRAM APPLICATION DEADLINE.

Prior to their scheduled testing date, students must do the following....

1. Go to [ATI website](#) to set up a student test account. Click on “Create New Account” and complete the required information. Under “Institution”, select the program as **Eastern FL State College: Cocoa Health Sciences** to take your TEAS test. Your TEAS test administration should be done under the generic program intent. You can change your program intent **after** you take your TEAS test and when you have been accepted into a particular Health Science program:

- Dental Hygiene Program - Eastern FL State College Cocoa FL
- Veterinary Technology Program – Eastern FL State College Cocoa FL
- Associate Degree Nursing Program - Eastern FL State College Melbourne ADN
- Titusville Campus Transition RN Program - Eastern FL State College Titusville ADN
- Licensed Practical Nursing Program - Eastern FL State College Melbourne PN
- Diagnostic Medical Sonography – Eastern Florida State College Melbourne FL
- Physical Therapist Assistant – Eastern Florida State College Melbourne FL
- Radiography – Eastern Florida State College Melbourne FL

The student will need to bring their log in and password with them for their scheduled test date.

There is no further action required by the student on the ATI website.

2. Unless the student specifically requests earlier posting, the \$70 TEAS test fee will be posted to the student’s account approximately one week prior to the scheduled exam. Student must go to an EFSC Business office/cashier and pay their TEAS test fee and get a receipt for payment or they may pay online via MyEFSC with a credit card. EFSC will assess a 3% service fee for credit card payments. Contact your testing office or consult the Fee Schedule posted on the website for the cost.

3. Students are to report 15 minutes before the scheduled test administration time and **bring their photo ID, receipt of test payment, copy of proof of attending a Health Science Orientation or Advisor Review session if using this method to satisfy “intent to apply” requirement, and their ATI account log in and password they created.**

4. Students need to be advised that TEAS administration instructions dictate the following prohibited items during the test:

- * Food or drink (unless necessary for a documented medical condition)
- * Textbooks or reference books of any kind
- * Sunglasses, hats or a hood (discretionary allowances for religious apparel)
- * Music (CD players, MP3 players, iPods, etc.)
- * Communication devices (cell phones, pagers, PDAs, etc.)
- * External, personal calculators

No food or drink is permitted in the test room (unless medically necessary), nor will you have access to cell phones during the test or any unscheduled break.
