

Education/Early Childhood Cluster Agenda

Spring 2016

1. Reminder that each semester each cluster needs to update at least 10% of their courses that are not in performance based language.
2. Submitting Curriculum in CATS
Curriculum needs to be reviewed by all and then Marika will submit to CATS. Early Childhood has been submitted.
3. My GPS- check for accuracy
4. CATS, DOGS, CMAT updates
5. PET – we would like to move it to the education discipline. Marika is working on the course rewrites
6. MAE course rewrite –Chuck and Kim will rewrite
7. Memorandum of Understanding for articulated credit- This is in reference to the FL DOE statewide articulated credit agreements based upon industry credentials in child care. The MOU identifies the process to award credit for students who have passed the Child Care credentials as stated by the Florida Department of Education and who are enrolled in the Early Childhood Education program.
8. Strategy to get UCF to respond to how they will accept EFSC Early Childhood Education courses from EFSC students into their Bachelor degree program
Cathy Beam will talk to UCF about this. We need an articulation meeting to address questions with UCF and the changes they are making to the courses for the education program
9. Credit by exam??
Not applicable for Education. Early Childhood is looking into it.
10. New AAC rep

Holly will be main rep with Marika as alternate
11. VSA “Washed Ashore”– March 2, 3, 4

Education students are participating in the event.
