

Campus Maps - Titusville

1311 North U.S. 1, Titusville, FL 32796

www.easternflorida.edu

Titusville Campus is student-centered with small classes and student support services that make learning a pleasure. The Titusville campus is a community of learners where student success is everyone's goal. The personal service that students receive is complemented by state-of-the-art classrooms and laboratories on a beautiful 120-acre campus that is located on the Indian River Lagoon waterfront, part of the Intracoastal Waterway. The campus specialties in information technology and environmental, natural and life sciences are supported by our location near the Kennedy Space Center and the Canaveral National Seashore. We share a campus setting with the Parrish Medical Center and are developing joint programs in the health sciences. The Titusville Campus is dedicated to ensuring that students will achieve their dreams while reaching their academic and technology goals in a caring, student-centered environment.
