Who offers a 4th or 5th Credit Option?

- Instructors decide whether they want to offer a 4th or 5th credit option.
- Instructors assign the hours and tasks to be completed. Please check your syllabus or ask your instructor.
- Stop by any of the service-learning offices or visit webpage to view the list of EFSC instructors who are offering service-learning.
How are 4\textsuperscript{th} and 5\textsuperscript{th} Credit Option’s Labeled?

- When students register for a 4\textsuperscript{th} or 5\textsuperscript{th} credit option, they will see a grade for both the core class and the option.
- 4\textsuperscript{th} and 5\textsuperscript{th} credit options use the same number “2948” but a different prefix based on the core class.
- Students do not have any additional class time. Students’ schedule will identify the 2948 course time as Friday 8-9 am (this is simply a place holder).
How do students benefit?

- Allows students to complete elective credits.
  - By registering for three 4th or 5th credit options, students complete a 3 credit hour elective course.
  - If a student is one or more credits short of graduation, a 4th or 5th credit can be utilized:
    - Students can do a total of three 4th or 5th credit options, while attending EFSC.
    - Each prefix may only be used once. For example, HUM2948, PSY2948 and BSCC2948.
- The grade received for the 4th or 5th credit option can boost GPA (if students complete all requirements).
- Service-learning hours will be added to official transcripts.
What do students have to do?

1. Students must register with an advisor by the established deadline.
2. Students volunteer with an approved community partner.
3. Students complete assignments designated by instructor.
4. Students attend one required reflection seminar.
   ❑ For your convenience, there are multiple dates, times and campuses to chose from.
   ❑ Seminar consists of an informal discussion about your service-learning experience.
