Students appointed to attend biweekly SGA Business meetings (At least one student must attend each meeting):

\_\_\_\_\_

As the sponsor of this student club/organization, I understand that a minimum of one representative must attend SGA business meetings. In the event no representatives attend the SGA meeting and no notice given, the club will be counted absent. Three unexcused absences will result in an "inactive" status for the student club/organization. The club/organization would then have to apply for re-activation.
