Procedure for obtaining credit
Student must meet the following criteria:

➢ All BCC admissions requirements
   Students entering the above program(s) must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion, and must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

➢ Be an active student currently enrolled in one of the programs listed above. Student’s major must reflect this program.

➢ Submit the certificate to: BCC, Office of the Registrar, 1519 Clearlake Road, Cocoa, FL 32922

➢ Industry certification must NOT BE EXPIRED at the time the credit will be awarded, and the certification must have been issued within three years prior to enrollment in the program.

Questions regarding this agreement should be addressed to the Drafting and Design Technology AS Curriculum Coordinator/Program Manager, the Director of Career & Technical Programs, and/or the Registrar.

APPROVALS

This Internal Articulation Agreement shall be effective upon the signatures below, and shall remain in effect until reviewed and modified every two years, or terminated by the Florida Department of Education. This agreement is subject to change by legislative action, the Department of Education, or the BCC District Board of Trustees.

Faculty agrees that the Drafting and Design Technology AS and AutoCAD Foundations CCC program(s) follow the industry standards and so provide equivalent standards-based/competency-based training.

### Admission Requirements

Students entering the above Associate in Applied Science and or the Associate in Science Program must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion, and must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

### Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current Autodesk Certified Professional (AutoCAD) certification and it must have been issued within three (3) years prior to their enrollment in the program.

### Rationale/Justification:

The Autodesk Certified Professional (AutoCAD) certification represents industry acknowledgement of technical skill attainment of competencies in the Drafting and Design Technology program.

### Applicability:

Community college administrators statewide were consulted and agreed that the "Autodesk Certified Professional (AutoCAD)" shall articulate three (3) college credit hours to the AAS/AS Degree in Drafting and Design Technology.

Articulated credit awarded under this agreement may only be applied to the above AAS/AS Degree and the following College Credit Certificate (CCC) programs: AutoCAD Foundations (0615020204) and Fire Sprinkler Design Technology (0615020205)
