**College Credit:** The minimum award of course credits or a block of credit toward the above AAS/AS program is 3 hours of credit. This agreement does not preclude the awarding of additional credits by any college through local agreements.

**Admission Requirements**

Students entering the above Associate in Applied Science and or the Associate in Science Program must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion, and must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

**Validation Mechanism:**

To be eligible for articulation, the student must show evidence of their (CIW) Associate Design Specialist certification and it must have been issued within three (3) years prior to their enrollment in the Computer Programming and Analysis program.

**Rationale/Justification:**

The (CIW) Associate Design Specialist certification represents industry acknowledgement of technical skill attainment of competencies in the Computer Programming and Analysis program.

**Applicability:**

Community college administrators statewide were consulted and agreed that the "(CIW) Associate Design Specialist" shall articulate three (3) college credit hours to the AAS/AS Degree in Computer Programming and Analysis.

Articulated credit awarded under this agreement may only be applied to the above AAS/AS Degree and the following College Credit Certificate (CCC) programs: Computer Programmer (0507030100) and Computer Programming Specialist (0507030503).
