**RECRUITING
MEMBERS
IN YOUR AREA**

Florida Conservation Corps (FLCC) AmeriCorps
members serve 1700 hours over eleven months in
one of three exciting project areas:

Project A.N.T. (AmeriCorps Nonnative plant Terminators)
Serving in 25 pairs throughout the state, members focus on
invasive exotic plant species removal and resource
management.

Project T.R.E.C. (Trail Restoration and Enhancement Corps)
Based out of Gainesville, this traveling team of 6-10 members
focus on trail enhancement throughout the state park system.

Project R.O.A.R. (Regional Outreach and Awareness Recruiters)
Serving in each of the five Florida Park Service districts, these
members focus on volunteer recruitment and outreach.

Half-Term/ Full Term Member Benefits include:

- Monthly Stipend \$1,500.00
- AmeriCorps Segal Education Award upon successful completion of 1,700 hours: \$6,195.00.
- Health insurance and child care assistance available upon request.
- So many benefits combined with a lifetime of valuable experiences!
