

Installing Microsoft Office 365 ProPlus

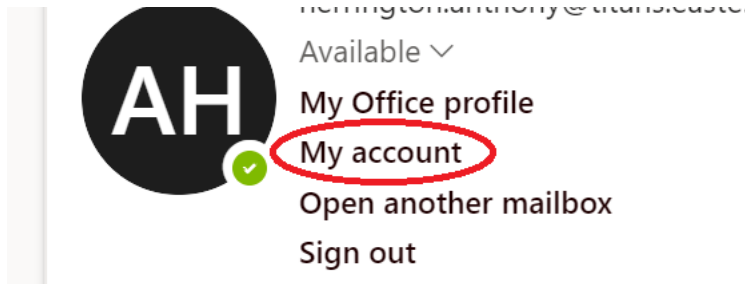

After logging in to MyEFSC, click on **Student Email**:

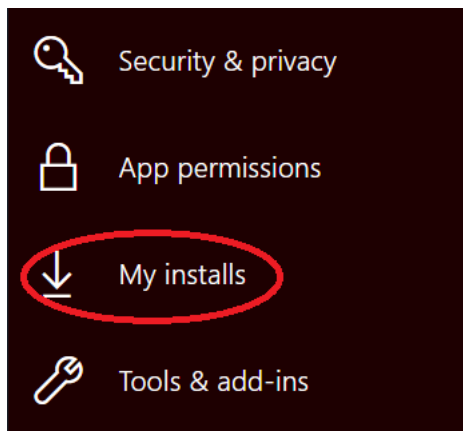

2. **Outlook Mail** will load in your web browser. (It may prompt you to log into Titan Single Sign On.) Click on the **circle with your initials** in the upper right corner:

3. This will open the **My account** menu. Click on **My account** in the list of options:

4. This will open the **My account** screen. In the sidebar menu to the left, click **My installs**:

5. Under **My Installs**

A: Make sure the correct language and version (**32 bit** or **64 bit**, depending on your version of Windows) are selected.

B. Click on **Install Office**
