Introduction

The Dual Enrollment Articulation Agreement, as required by Section 1007.271 (24), Florida Statutes, is made by and between the Board of Trustees of Eastern Florida State College, hereinafter referred to as the College, and West Melbourne Christian Academy of Location, hereinafter referred to as West Melbourne Christian.

West Melbourne Christian is a non-public secondary school in compliance with Florida Statute 1002.42 (2), is listed in the Florida Department of Education Private School Directory and is recognized by the College as awarding a standard high diploma that reflects completion of a secondary education program. West Melbourne Christian will notify the College immediately in writing of any changes related to the private school's name, mailing address, email address, phone number, or administrative contacts. West Melbourne Christian shall annually designate and provide to the College a primary point of contact for all dual enrollment communications, including the individual's name, email address, and telephone number. West Melbourne Christian shall notify the College within thirty (30) days of any change in the designated contact and shall provide updated contact information. Both parties agree that communications transmitted via electronic mail (email) shall constitute written communication for purposes of this Agreement.

This agreement is effective from July 1, 2026 through June 30, 2027; if any part(s) of the Agreement is in conflict with any law, statute or rule of a higher governing body, then such part(s) shall be deemed inoperative to the extent it conflicts therewith and shall be modified to conform to such law, statute, or rule.

I. A ratification or modification of all existing articulation agreements

The signing of this Agreement attests to the ratification of all existing articulation agreement(s) regarding dual enrollment and other accelerated education programs between West Melbourne Christian and the College.

II. A description of the process by which students and their parents are informed about opportunities for student participation in the dual enrollment program

A. West Melbourne Christian Responsibilities

Disseminate information yearly to all secondary students regarding dual enrollment as an educational opportunity. Information will include eligibility requirements, the option for taking dual enrollment courses during and after school hours and during the year, how dual enrollment may be used to meet high school credits required for graduation, and the transfer guarantee statement by the State Articulation Coordinating Committee.

B. The College Responsibilities

1. Provide comprehensive information about Dual Enrollment on the college website.
2. Monitor and evaluate postsecondary readiness data for student eligibility.

III. A delineation of courses and programs available to students eligible to participate in dual enrollment

A. Dual Enrollment

The dual enrollment program shall be the enrollment of a first-time 6th - 12th grade student in a postsecondary course creditable toward a high school diploma and a career and technical certificate, a college credit certificate, an associate degree, or a baccalaureate degree. The student must meet eligibility criteria identified in this Agreement and be on track to meet promotion and graduation requirements as determined by West Melbourne Christian. Students in grades 6 – 9 should confer with their school administration regarding the students' readiness for college level coursework. Students may be enrolled in their identified secondary grade level no more than one year, which includes the summer, fall, and spring terms. Students may enroll in dual enrollment for a maximum of 4 years in high school (grades 9 – 12 or equivalent).

Eligible students shall be permitted to enroll in postsecondary courses offered during and after school hours. Students are expected to enroll in courses pursuant to their identified program of study and/or courses identified on the on the FLDOE Dual Enrollment Course Equivalency List. Students who will graduate from high school prior to the completion of the postsecondary course may not register for that course under dual enrollment

B. Academic Dual Enrollment – Associate Degree

Academic dual enrollment is a form of dual enrollment in college credit courses leading to an Associate in Arts, Associate in Science, or a Baccalaureate Degree. Eastern Florida will award an associate degree to qualifying high school students in the same semester that West Melbourne Christian awards the high school diploma. Students seeking an A.S. Degree may dual enroll only in the A.S. Degree programs identified in the table below:

Academic Standards

Students must continuously maintain the unweighted high school GPA required for the program. In addition, students are expected to complete and achieve an overall GPA of 2.0 in college coursework taken during a term. Dual enrollment students must adhere to the EFSC Academic Progress Standards.

A student whose EFSC's term GPA falls below a 2.0, and/or the student withdraws from a dual enrollment course after the college designated add/drop date, may remain eligible for dual enrollment for one subsequent term so long as their unweighted high school GPA, including the grades earned in dual enrollment coursework, remains at 3.0+. The student's dual enrollment status, however, will be considered provisional and the student must achieve in the subsequent high school semester at least a cumulative college GPA of 2.0 and a term GPA of 2.0 and complete all coursework to maintain eligibility.

A student who fails to meet the above requirements will be ineligible for dual enrollment for a period of one term after which time the student may again be considered for eligibility if all admission standards are met.

C. Career Dual Enrollment

Career dual enrollment is a form of dual enrollment that provides a curricular option for secondary students who wish to earn credits toward a high school diploma and a degree or certificate from a job preparatory program. Students may not take isolated vocational courses. Eastern Florida will award a college credit certificate to qualifying high school students in the same semester that West Melbourne Christian awards the high school diploma.

Once students meet the qualifications to enter an associate degree program, the students will continue to enroll in courses within the CCC and may enroll in courses towards an associate degree.

Academic Standards

Students must continuously maintain the unweighted high school GPA required for the program. In addition, students are expected to complete and achieve an overall GPA of 2.0 in college coursework taken during a term. Dual enrollment students must adhere to the EFSC Academic Progress Standards.

A student whose EFSC's term GPA falls below a 2.0 and/or the student withdraws from a dual enrollment course after the college designated add/drop date may remain eligible for dual enrollment for one subsequent term so long as their unweighted high school GPA, including the grades earned in dual enrollment coursework, meets the degree or certificate admission criteria. The student's dual enrollment status, however, will be considered provisional and the student must achieve in the subsequent high school semester at least a cumulative college GPA of 2.0 and a term GPA of 2.0 and complete all coursework to maintain eligibility.

A student who fails to meet the above requirements will be ineligible for dual enrollment for a period of one term after which time the student may again be considered for eligibility if all admission standards are met.

D. Early Admission

Early Admission is a form of dual enrollment through which first-time, seniors may enroll at the College instead of their high school of attendance in courses that are creditable toward the high school diploma and the associate or baccalaureate degree, a college credit certificate or a career and technical certificate. It is an option for students in the final year of high school. Early admission students are no longer eligible for dual enrollment upon completion of the spring term regardless of their high school graduation status. Early admission students must enroll in at least four courses totaling twelve credit hours or more per term and earn a sufficient number of credit hours in appropriate courses each term to meet high school graduation requirements by the end of their senior year. One-credit laboratory courses do not count toward the four course requirement. West Melbourne Christian and the College recommend students enroll in five courses.

Early admission students remain eligible to participate in all extracurricular and graduation activities at their high school of attendance in accordance with West Melbourne Christian policies and procedures.

These students, however, may participate in part-time dual enrollment provided they meet dual enrollment eligibility criteria. Dual enrollment students must adhere to the EFSC Academic Progress Standards. Upon completion of their senior year in early admission, students are no longer eligible for dual enrollment regardless of their graduation status.

E. Postsecondary courses that may not be taken through dual enrollment include:

1. Vocational preparatory, developmental education instruction, and other forms of pre-collegiate instruction.

D. Withdrawal

Students wishing to withdraw from a dual enrollment course(s) by the college-designated withdrawal date must first consult with their parent/legal guardian and West Melbourne Christian, then follow all college withdrawal procedures. The parent/legal guardian will be expected to co-sign the withdrawal form along with the student and school administrator.

The student who withdraws or is withdrawn by the College or West Melbourne Christian from dual enrollment coursework and returns during the term to their private school of attendance will be subject to West Melbourne Christian policies relating to the instructional hours and transfer of grades required for earning a high school credit. The College, by law, must count a course "withdrawal" for any reason after the add/drop date as an "attempt" on the student's college transcript.

A student who withdraws from two college courses in a term will be ineligible for dual enrollment in the subsequent private school semester.

A student who is withdrawn by the college from a college course due to non-compliance with Florida statutes and rules or EFSC policies and procedures related to student behavior and conduct will be ineligible for dual enrollment in the subsequent private school semester.

Students must inform the private school of any change in their class enrollment status. A student who drops or withdraws from a course without school approval or stops attending class must notify their private school.

E. Maximum Course Loads

During the Fall and Spring terms students are allowed up to three EFSC dual enrollment courses. Rising 11th and 12th grade students – those who have completed 10th or 11th grade and will be advancing to the next grade level in the upcoming academic year- are permitted to register for no more than one course during the summer.

Students may exceed the total number of allowable courses, as identified above, take college courses not available through dual enrollment (with college approval), and/or retake a course for grade forgiveness through the Early College Credit Option (ECCO). ECCO courses do not count towards high school graduation requirements and do not require approval by the private school administrator.

Early admission students must take four, but no more than five, courses totaling at least twelve credit hours each semester. Based on their strong academic record, students with a cumulative unweighted high school GPA of 3.5 may register for six courses each term with their private school's approval.

Students may not enroll in the same course more than one time through dual enrollment unless the student receives written approval from West Melbourne Christian and the College.

F. Grade Forgiveness

Students who have received a grade of D or F or withdrew (W) from the class by the deadline, may retake the class for grade forgiveness through the Early College Credit Option (ECCO) offered by the College. ECCO courses do not count towards high school graduation requirements and do not require approval by the private school administrator.

The College Responsibilities

1. The College will provide West Melbourne Christian with a list of dual enrollment student course registrations one week prior to the first day of classes each semester for West Melbourne Christian to review and notify the College of any corrections.
