

MEMORANDUM OF UNDERSTANDING  
ADVANCE STANDING CREDIT

**ENGINEERING TECHNOLOGY**

Brevard Community College (BCC) will award postsecondary advance standing credit to eligible high school students who have graduated from high school and completed the secondary Engineering Technology courses. *The student will not be charged tuition or fees for the postsecondary credit awarded through this advance standing credit agreement.* Listed below are the courses that must be completed at the secondary level:

Course Number	Course Title	Credit
8600570	Engineering Technology 1	1
8600670	Engineering Technology 2	1
8601770	Engineering Technology 3	1

BCC will award advance standing credit for the following courses toward the applicable BCC Engineering Technology Associate in Science degree and related certificates:

Course Number	Course Title	Credit
EET 1084	Introduction to Electronics	3
ETIC 2851	Applied Mechanics	4

The procedure for obtaining the advance standing credit will be in accordance with the guidelines below.

1. Student must meet the following criteria:
  - Cumulative grade point average of 3.0 in the Brevard County High School Engineering Technology program.
  - High School Graduation or GED
  - After graduation, apply to BCC and select the appropriate major (refer to the BCC catalog for applicable major).
  - Enroll in BCC and successfully complete the two courses (7 credits) as specified below with a grade of "C" or higher in the program for which the advance standing credit is to be awarded.

**REQUIRED** college course sequence to complete in order to receive the accelerated credit:

<b>EETC 1025 Circuit Fundamentals (4 credits)</b> (Note that the pre-requisite course EET 1084 Circuit Fundamentals 1 will be waived for students who complete Brevard Public Schools' Engineering Technology 1, 2 & 3 with a "B" average or higher)
<b>EST 1520 Instrumentation Fundamentals (3 credits)</b> (Note that the pre-requisite course EET 1084 Circuit Fundamentals 1 will be waived for students who complete Brevard Public Schools' Engineering Technology 1, 2 & 3 with a "B" average or higher)

Students must refer to the college catalog at time of starting BCC for the most up-to-date programs and required courses.

- continued on page 2 -

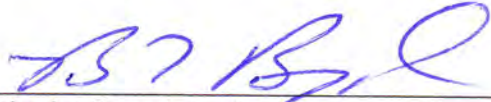

2. Following completion of the required credits at BCC, the student must petition the Registrar to have advance standing credit placed on their permanent record. Credit will be awarded with the grade of "S" which will not affect the GPA.
3. The student must enroll in the appropriate BCC courses or program no later than three years after the last high school attendance.

Questions regarding this agreement should be addressed to the appropriate Brevard Community College program Workforce Director, and/or Director, Career and Technical Education, Brevard Public Schools.

This Memorandum of Understanding shall be effective upon the signature of the district superintendent or his designee and the community college president or his designee. This agreement shall remain in effect until reviewed and modified every two years, or terminated by either party upon thirty (30) days written notice prior to the end of a term or by mutual consent.
