

Articulation Agreement – Advance Standing Credit
Memorandum of Understanding

Air Conditioning, Refrigeration and Heating Technology PSAV

Air Conditioning, Refrigeration and Heating Technology

Eastern Florida State College (EFSC) will award postsecondary advance standing credit to eligible students who have met the criteria as stated below. *The student will not be charged tuition or fees for the postsecondary credit awarded through this advance standing credit agreement.*

Listed below are the courses that must be completed at the secondary level:

High School Course Number	High School Course Title	High School Credit
8713010	Air Conditioning, Refrigeration and Heating Technology 1	1
8713020	Air Conditioning, Refrigeration and Heating Technology 2	1
8713030	Air Conditioning, Refrigeration and Heating Technology 3	1

EFSC will award advance standing credit(s) for the clock hour course listed below.

College Course Number	Eastern Florida State College Course Title	Clock Hours
ACR 0704	Introduction to Refrigeration/Air Conditioning	150

The procedure for obtaining the advance standing credit will be in accordance with the following criteria.

1. Student must:

- Have a cumulative grade point average of 3.0 in the above mentioned Brevard Public School CTE program courses.
- Provide proof of high school graduation or GED. Students who are eligible for dual enrollment may take college courses that are either required or recommended for purposes of demonstrating competency as identified in this agreement.
- Apply to EFSC. In some cases students who are still in high school may be allowed to apply to and enroll in the EFSC Air Conditioning, Refrigeration and Heating Technology program. This will be on a case by case basis with recommendation from the high school Air Conditioning, Refrigeration and Heating Technology program and acceptance from the EFSC Air Conditioning, Refrigeration and Heating Technology program director.
- Apply to the EFSC Air Conditioning, Refrigeration and Heating program. This is a limited access program that requires a special application, and the student must follow the admission process. Completion of the high school Air Conditioning, Refrigeration and Heating program does not guarantee acceptance to the EFSC Air Conditioning, Refrigeration and Heating program. (Refer to the EFSC catalog for applicable major code).

Articulation Agreement – Advance Standing Credit Memorandum of Understanding

- Students must pass the EFSC HVAC pre-credit competency exam with a score of 80% or higher before beginning EFSC HVAC courses. Testing will follow college policy on testing.
- Enroll in referenced EFSC courses within the Career and Technical Program certificate as stated in this agreement
- Successfully complete 420 clock hours as identified in this agreement as either required or recommended or complete the remaining credits in a college credit certificate **no later than three** years after high school graduation. Required or recommended courses must be completed with a grade of "C" or better in the program for which the advance standing credit is to be awarded. Advance standing credit will only be awarded.

Required course(s) to be completed in order to receive the accelerated credit:

College Course Number	Eastern Florida State College Course Title	Clock Hours
ACR 0122	Refrigeration and Air Conditioning Components	150
ACR 0106	Electricity for HVAC Single Phase	150
ACR 0608	Residential Heating Systems	120

2. Students must refer to the college catalog at time of starting EFSC for the most up-to-date programs and required courses.
3. Following completion of the required credits at EFSC, the student must petition the Registrar to have advance standing credit placed on their permanent record. This is Institutional Credit and will be awarded with the grade of "S" which will not affect the GPA. Transfer of institutional credit to another college or university is dependent on the policies of the transferring institution; therefore credit may or may not be accepted.

Questions regarding this agreement should be addressed to the appropriate EFSC program faculty, EFSC's Dean of Workforce Development, and/or Director, Career and Technical Education, Brevard Public Schools.

This Memorandum of Understanding shall be effective upon the signature of the district superintendent or his designee and the college president or his designee. This agreement shall remain in effect until reviewed or modified every two years, or terminated by either party upon thirty (30) days written notice prior to the end of a term or by mutual consent.
