The College provides a public dental clinic as part of the dental hygienist and dental assistant instructional programs. The clinic is open to members of the public, EFSC students, faculty and staff. Services provided by dental hygiene are limited to procedures taught to students; this varies from semester to semester. The dental assisting clinic does limit dental restorative work for persons who have been examined within the dental hygiene clinic. All patients are required to have a dentist on record for continuing care and treatment of dental needs.

Faculty, students and employees of the College receive a $5 discount on preventive and periodontal procedures.

*Students will pay vendor fees directly to the test provider.

As a result, vendor fees are subject to change.

**Not including additional third-party payment processing fee.

### Ticketing Fee

With the exception of the King Center, whenever an Eastern Florida State College facility, with numbered seating, is rented and tickets for seating will be used, the organization renting
the facility must use the EFSC Ticketing System. The cost to use the system is in addition to the rental cost of the facility. For King Center tickets, a per ticket capital improvement fee may be charged as set forth below.
