

# NURC 4945

RN to BSN

## Student Internship Checklist

RN to BSN Directed Capstone/NURC 4945/NURC 4955: College Credits: 3

This course is to be taken the final semester of the program

Prerequisite: Student must hold an Associate degree in nursing (ASN) from a regionally accredited institution and an active, clear, Florida Registered Nursing License. ASN Core and Prerequisites: 73 Credits. Professional practice of the baccalaureate RN focuses on the human contact between the U.S./Global healthcare system and the individual client through a focus on health promotion, disease prevention, and direct and indirect care of patients, families, and communities.

The capstone course requires the student to demonstrate competencies consistent with program outcomes and to synthesize the knowledge, skills, concepts, and theories attained in a professional portfolio. The student will be required to complete and participate in a 32-hour internship /capstone project.
