

# EFSC Legacy Pavers

*Help build the future by honoring the past*

Since our first year in 1960, Eastern Florida has gone through three name changes, grown to four campuses, and evolved from a community college into a state college. That nearly 60-year legacy includes over 100,000 alumni whose lives were touched by an education at EFSC.

Now, we have an opportunity to turn that legacy into a permanent reminder of our connection to the college through our Legacy Pavers Program. With three sizes to choose from and your choice of text, you can purchase a paver for yourself, a business or a loved one, that will be placed in the courtyard area outside of our new Student Union building on the Melbourne Campus. Paver sales support Foundation scholarships and other college initiatives.
