Dear Parent/Guardian:

Your child will have the opportunity to participate in the Eastern Florida State College Minority Youth Golf Program. This **FREE** program teaches youth the basic skills of golf, including golf course etiquette, conduct, sportsmanship, as well as values for successful living. The program is designed to help build self-confidence, and provide guidance on setting goals and support in laying the foundation for positive life directions. When the students complete the program, they will be better equipped to meet life's opportunities. In addition, they can experience the challenging and rewarding sport of golf if they choose to continue to play. Drinks and snacks will be provided
