A DIRECTORY OF VOLUNTEER AND SERVICE-LEARNING OPPORTUNITIES

"WHAT WE HAVE TO LEARN WE LEARN BY DOING"

PLEASE READ

Due to COVID-19, community partners are frequently modifying service-learning opportunities. Please reach out to the organization first before visiting to ensure there are still available options.

Organizations are also having high rates of turnover in employees/volunteers, so if you don’t receive a response, contact organizations through their website. Also, reach out to our office – Center for Service-Learning and Civic Engagement and we will assist.
2022-2023 Community Partner LINK Directory

If you are considering an organization that is not listed, please consult the Center for Service-Learning and Civic Engagement.

NOTE: Some organizations offer students “double hours” when working weekends and holidays. Please note that only ACTUAL service-learning hours can be counted for courses offering service-learning and only ACTUAL hours are put on official EFSC transcripts.

DIRECTORY GUIDELINES

The Community Partner Link Directory is a dynamic listing grouped alphabetically, by area of interest, and by location. The listings are as complete and accurate as possible, however, because of additions or changes during the year; please consult our office for updates.

If you discover an inaccuracy or change, contact the Center for Service-Learning & Civic Engagement Office.

Please note as of Spring 2022, our dept has centralized to the Cocoa Campus, Building 12, Room 305. You may reach us by contacting us through phone, email, and MS teams. Telephone numbers are 321-433-7610, 321-433-7611, 321-433-5612 and 321-433-7613. You can also find contact info on our webpage https://www.easternflorida.edu/student-life/center-for-service-learning/

Some placements are more conducive than others for integration with academic courses. The Center’s staff can assist you with this information. Although some opportunities are more related to some academic majors or career areas, most are excellent in helping and learning environments. Regardless of your major or career aspiration service-learning programs will benefit you.

Brief job descriptions are included in helping with your selection process. More detailed information, including contact information, is available at our office locations.

There is service, advocacy, leadership, research, and special short-term opportunities available.

Additional opportunities are possible.

• PROFESSIONALLY RELATED, e.g., veterinarian, attorney, media
• SERVICE ORGANIZATIONS, e.g., Rotaract Club, Phi Theta Kappa, Student Government
• SOCIAL CONCERNS, ISSUES, e.g., aid to the hungry/homeless or sick: protection of the environment; elimination of injustice or cruelty, resolution of community, national or international conflict; promotion of cross-cultural and human understanding, consumer issues.
• ONLINE RESOURCES: Many volunteer engagement websites feature organizations, events, and volunteer opportunities in Brevard County. EFSC students may receive service-learning credit for any hours served by a non-profit community service organization.

If you have a possible window of service-learning, let us know.

<td>Best Buddies International is a nonprofit 501(c)(3) organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development, and inclusive living for individuals with intellectual and developmental disabilities (IDD). Programs empower the special abilities of people with IDD by helping them form meaningful friendships with their peers, secure successful jobs, live independently, improve public speaking, self-advocacy, and communication skills, and feel valued by society. If you are interested in partnering up with a young adult with IDD, please reach out to us. Background Check Required. Commitment: We ask is for each volunteer to commit to be matched in a 1:1 friendship for 1 year with a commitment of 2 hours per month. Essentially, we ask that our volunteers hang out with their match 2 x per month and check in weekly via text or phone call.</td>

ahunte@bgccf.org | Please see website for detailed info. Ongoing mentoring opportunities for reoccurring volunteers. We would rather a volunteer go through the process and be approved to volunteer in a Club so that the Club members can connect. Power Hour – daily dedicated hour of homework help, ages 6-18

Assorted activities based on volunteer skill set – examples: art, sports, dance, etc. If a volunteer can dedicate time to the class, it is possible to set up a weekly class at the Club teaching that skill. We have 3 locations in Brevard County: Mims, Cocoa and Temple Terrace (Melbourne).

Interested volunteers must complete Florida DCF background check, cost covered by organization. Student required to pay for background check. |

<td>We have opportunities for interns to work onsite with docents greeting the public and being an attentive, welcoming host as patrons view the museum. Light duties include answering the phone, providing information and assisting docents. We also have project-based opportunities that allow interns to collect oral histories of residents, research people, places, and/or past times of interest relevant to preserving our local history. This would require a finished product such as a paper, poster, signs, art, music, video...of their research. Once interns have their research area approved by museum staff, they log their own hours and check-in with the museum periodically to update project progress until completion. It is our expectation to gradually increase our hours of operation as we work through reopening. We welcome our interns and look forward to supporting our community and education in all ways possible. Open: Tuesday, Friday, &amp; Saturday 12:00PM – 3:00PM</td>
