Academic Advising
Advisors provide information about graduation requirements, interpretation of placement tests, course selection consultation and referral for career direction and referrals to outside agencies for students’ personal concerns. Services are available by appointment or on a walk-in basis in the Student Services office on each campus. All first time, degree-seeking students must see an advisor prior to registering.

Bookstore
The Eastern Florida Bookstore is the one stop shop for new, used, rental and e-textbooks, as well as, college supplies, clothing, gifts and sundry items. Bookstore hours, vary from one campus to another, so be sure to visit the website at whywaitforbooks.com or call Cocoa (321) 433-7290; Melbourne (321) 433-5677; Palm Bay (321) 433-5195 or Titusville (321) 433-5055 Book Stores.

Students should bring their course schedule to the Bookstore as it contains course numbers which are needed to find the correct books. Students may also purchase their books 24/7 at whywaitforbooks.com

Cash for Books. Campus Bookstores buy back used books every day. The best time to sell back used books is when finals start. The Bookstores will pay up to 50% of the book’s selling price if professors have assigned it for the next term and the Bookstore is not overstocked.

For students’ protection, current student identification is required for all buyback transactions.

Refer to the College catalog on the Eastern Florida website www.easternflorida.edu or the Bookstore for refund policies.

Computer Labs
Each campus provides computer labs for student use. Some labs are furnished with software specific to meeting course requirements, i.e. prep courses and computer programming courses. Other labs provide Internet access, career exploration software and tutorials for general use.

Lab availability and schedules vary by campus and by semester. For further information regarding computer lab availability and the software available, please call 433-7600. Access the Computer Labs website at www.easternflorida.edu ➤ click on ACADEMICS ➤ click on ACADEMIC SUPPORT & TUTORING.
Foreign Language Labs
The Foreign Language Labs, located on each campus, provide academic support and cultural resources to students studying foreign languages and American Sign Language. Students may develop individualized learning programs to enhance classroom lectures and communication skills by using various technologies available in the lab. They can explore a variety of cultures through learning communities and practice foreign language skills to improve their abilities to communicate in the new language.

Honors Program
The Eastern Florida Honors Program is ...
1. A learning opportunity designed to stimulate and challenge academically gifted students.
2. A program of courses allowing highly motivated, intellectually curious students to become partners in learning with their professors and classmates.

Initial PIN: Birth date MMDDYY (can be changed by user)
Parking
Parking and traffic regulations must be maintained for the protection of all. Students must park in student parking lots designated by signs and white lines. Restricted areas are: Disabled (blue), Faculty/Staff (yellow), and Fire Lanes (red).

A 15 mile-per-hour speed limit applies to all Eastern Florida campuses. Fines are assessed for failure to display a decal and for parking or moving violations. Student records may be placed on hold for unpaid fines.

Students are required to have a parking decal that can be obtained at the following locations:

- **Cocoa Campus**: Security Building 26 Room 100
- **Melbourne Campus**: Security Building 5 Room 137
- **Palm Bay Campus**: Security Building 1 Room 101B
- **Titusville Campus**: Security Building 1 Room 101A

Parking permits are non-refundable and required for all students registered for credit or non-credit courses. This includes students taking continuing education and leisure courses, who wish to park a vehicle on campus.

The deadline for having a parking permit is by the end of the first week of classes each term. Students who do not have a parking permit after this date will be issued $10 parking citations by Eastern Florida Campus Security for each occurrence.

**To request and purchase a 2013-14 annual parking permit, students must follow these steps:**

1. Request a parking permit electronically by logging onto Titan Web Services using your Student ID Number and password. After you log in, click on Student Services ➔ Parking Permits ➔ Request a Permit. Students either must select a vehicle that is already registered at Eastern Florida or add a new vehicle to the Eastern Florida registry. Click Submit once the parking permit request is complete. Once a student clicks the submit button, his or her account will be charged $20 plus tax per vehicle and his or her request for a permanent parking permit will be processed. A printable temporary parking permit will be provided in Titan Web Services, which students can print and use immediately.

2. Prior to the expiration date listed on the temporary parking permit, students must turn in the temporary parking permit for an annual parking permit to avoid parking citations on campus. Students must turn in their temporary permit for annual permit at campus security offices.

3. Once students receive their parking permit, students must adhere the permit to the left side of their vehicle’s rear bumper or lower left side of their vehicle’s rear glass window. Parking permits must be adhered to motorcycles in a visible location.

The 2013-14 student parking permits are now available through Titan Web Service’s parking permit request system. Students registered for fall 2013 classes who wish to park a vehicle on any of Eastern Florida’s four campuses, are encouraged to request your parking permit today.
Photo ID Card
Students must obtain a Photo Identification Card at the campus library. The photo ID card is designed to be carried in the wallet, and also serves as the student’s library card. There is no charge for the card. However, replacements for lost cards are $10. To obtain a Student Photo ID Card, take a copy of your class registration, along with a photo ID, to the campus library. Make sure that the name and address on the registration and photo ID are the same.

Student ID Numbers
Social Security Numbers are not used as student ID numbers. All students are issued a randomly generated nine-digit identification number upon admission to the College. This number must be used to access all online records and to register for classes online. ID numbers will not be released via email or phone. To request your student ID number, go to the Eastern Florida website and click on myEFSC icon and then click Look Up Your Student ID. Or, you may go to any campus Student Services office and provide photo ID or download and fax or mail the form Permission to Release Student ID Number from the Eastern Florida website with a legible copy of your driver license.

Writing Centers
Strong writing skills are a must for success in college-level courses, no matter what the program of study. Writing Centers, located on the Cocoa and Melbourne campuses, are the place to go for help with all stages of the writing process. Eastern Florida and UCF students enrolled in college-level courses across all disciplines are invited to confer with the writing consultants for reader feedback and assistance at any point in the writing process. From planning to drafting and revising, we help you discover and strengthen your ability to document sources, overcome writer’s block, organize ideas, edit your writing and perform your own proofreading.

Registration Information

You must be an active student with no holds to register for classes. Students who require developmental coursework must register in person with a student advisor. Students with no registration holds may register online.

Add/Drop
If a student must drop a class, the same methods as registration can be used, and must be done by the established Last Date to Drop a Class. See the Schedule of Classes for dates each semester. Any tuition paid for a course dropped by the deadline will be refunded. The course will not appear on the student's transcript. After the drop deadline, a student must withdraw from the class following required procedures and will not receive a refund.

Audit
Students who have been admitted to Eastern Florida and wish to take courses without receiving credit may request to audit a course. The following guidelines apply.
• Students must be a high school graduate.
  • Students must make the choice to audit when they register for the class, and must submit a Request to Audit form to the Admissions and Records Office
  • Students may change from audit to credit or credit to audit only during the Add/Drop period.
  • Fees for audited courses are the same as graded courses.
  • Students should confirm their audit status with the instructor at the first class meeting.
  • Courses taken on an audit basis may not be counted when calculating eligibility for Veterans benefits, financial assistance or certification of enrollment by outside agencies.
  • Students auditing a class must meet all course prerequisites including appropriate test scores.
  • Students may not audit college developmental courses (SBE Rule 6A-14.0301). Other limited access courses also may not be available for audit.
  • Student will receive a grade of “AU” for audited courses. Audit courses will not affect the grade point average or academic standing and will not award credits.
  • Audited courses count as “attempts” toward full cost tuition.

Class tests or examinations are not required of the student auditing a course. However, class attendance is expected.
Enrollment Certification
The National Student Clearinghouse is the College-authorized agent for providing degree and enrollment verifications. Students may request enrollment verification through the Eastern Florida secure website. Click Titan Web Services ➤ Click Student Services and Financial Aid ➤ Click Student Enrollment Verification and follow instructions.

Eastern Florida certifies student enrollment per semester after the add/drop period using the following guidelines:

- QT (3/4 time) 9 – 11.99 credit hours
- HT (half time) 6 – 8.99 credit hours
- LT (less than half time) under 6 credit hours

Online Registration
To access and monitor your student online account – Go to: www.easternflorida.edu and then click myEFSC and log in to Titan Web Services. Access through the secure area will require user ID and PIN. User ID number is Eastern Florida student ID number. Initial PIN is birthdate in the format MMDDYY.

Titan Web allows the following transactions:
- Admissions/Registration/Financial Aid/Fees/Check Grades/Verify e-mail address/update and verify records

Online Classes
Online courses are rigorous. Students who decide to study online should be prepared to spend 5-12 hours a week per course. Students will need regular and reliable access to a computer, and not rely solely on a tablet or a smartphone.

IMPORTANT: If it is determined that persons other than the student are accessing a student’s records in the ANGEL classroom, the student will be removed from the class and receive a final grade of "F." While students may have provided written consent for a third party to receive information regarding their educational records, that consent does not permit any other person besides the student to complete or access coursework within the classroom or online setting.

Mandatory ANGEL Student Training (AST) All students taking fully online courses are required to complete the ANGEL Student Training prior to accessing those courses in the ANGEL Learning Management System.
Transcripts

Current students may obtain unofficial transcripts at no charge via the Eastern Florida website or www.flvc.org.

There is a $5 fee for each official transcript requested. Payment must be received in full before requests will be processed. Eastern Florida will not process requests via e-mail or telephone.

An official transcript request must be submitted in writing or online. Online requests are processed the most quickly. Requests may be submitted via mail, fax (321) 433-7172 or walk-in. The transcript request form is available on the Eastern Florida website and must be filled out completely to include the following information:

- Student Name (only the student may request the transcript)
- Student ID number or Social Security Number
- Student date of birth
- A daytime phone number
- Approximate dates of attendance
- Student’s original signature
- Number of transcripts requested
- A complete address indicating where transcripts are to be sent
- Payment ($5 per transcript)
- Any special instructions, e.g. hold for end of term grades or degree, attach form, etc.

U.S. Mail is the preferred delivery method; however, students may designate the transcript for pick up in the Office of the Registrar in Building 2 on the Cocoa campus. Include the exact mailing address of where the official transcript is to be mailed. The college does not fax or e-mail official transcripts, and cannot provide an official transcript if there is a hold on the student account. Allow 3 - 5 business days for processing the request.

Transcripts can be sent within the U.S. via Federal Express for a $25 per destination fee.

Contact (321) 433-7284 or visit the website www.easternflorida.edu/registrars-office

Additional information:

- Official transcripts will not be provided “on demand”
- Email requests cannot be honored
- Students with active transcript holds cannot receive an official transcript until the obligations are met and the holds are removed.
REGISTRATION INFORMATION — CONTINUED

- All final, official transcripts should be received prior to orientation and registration. Degree-seeking students will not be permitted to register for any college credit courses until a final, official high school transcript and all final, official college transcripts have been provided.

- It is the student’s responsibility to request previous transcripts and pay all associated fees.

- Official, original transcripts must be sent in a sealed envelope directly to Eastern Florida.

- Students who received a GED must submit an original copy of the scores or diploma prior to initial registration.

- Students who graduated from an international secondary school (high school) must submit an original transcript with a Document-by-Document evaluation completed by a member organization of the National Association of Credential Evaluation Services (NACES). A Document-by-Document evaluation identifies and describes each diploma or certificate, indicates periods of education, and provides an equivalency for each document. The following companies are recommended: World Education Services – www.wes.org; Josef Silny & Associates – www.jsilny.com

- Students who choose to submit an international college transcript must have a Course-by-Course evaluation done by a member organization of NACES. A Course-by-Course evaluation identifies and describes each diploma or certificate, indicates the periods of education, provides an equivalency for each document, lists all courses (subjects) with U.S. semester credits, and gives a grade point average (GPA) on a 4.0 scale. The following companies are recommended: World Education Services – www.wes.org; Josef Silny & Associates – www.jsilny.com

- Financial aid will not be awarded until all transcripts are received by Eastern Florida.

- Non-degree seeking students are not required to submit official transcripts unless they are required for proof of successful prerequisite course completion or student is changing to a degree seeking status. Proof of high school graduation is required (copy of diploma or unofficial transcript).

**Withdrawing from a Course**

It is the student’s responsibility to complete and submit a **Course Withdrawal form** to initiate the withdrawal process. Students who withdraw from a course are still responsible for tuition and fees for the course.

- The student may withdraw without academic penalty from any course by the established deadline. Withdrawals after that date may be granted through established institutional procedures. There is no refund for withdrawals.

- The student will be permitted a maximum of two withdrawals per course. Upon the third attempt, the student WILL NOT be permitted to withdraw and will receive an earned grade for that course.

**Transcripts from other Schools**

Students must provide an official high school transcript that documents the date of graduation with a Standard High School Diploma, or proof of receipt of a state issued General Equivalency Diploma prior to registering in college credit courses. Students who have prior college work must provide official transcripts from all previous colleges.

Academic Policies

Academic Second Chance
Academic Second Chance allows students to petition for up to two semesters of coursework to be excluded from the student’s cumulative GPA. All quality points from the courses within the Academic Second Chance semester will be removed from the academic record and any passing grades will not be used for degree completion. Coursework eligible for Academic Second Chance must be at least five years old and student must have completed a minimum of 12 credits with a “C” or better since re-enrollment. Students inquiring about Academic Second Chance petition procedures and qualifications should meet with an academic advisor.

Alternative Developmental Education Instruction
Students may seek options other than the College’s developmental education courses for improvement of skills. Alternative methods of instruction include, but are not limited to, Brevard County School Board, private providers and online instruction. More options will be identified by January 2014.

College Developmental Education Courses
Students whose placement test scores identify them as needing additional preparation to develop college-entry skills may enroll in college developmental education courses. Developmental courses are designed to assist students in acquiring the skills necessary for succeeding in college level courses. While the courses do not carry credit toward graduation, students must have regular attendance and earn a passing grade of "S" to complete the coursework. Some forms of financial aid, including Bright Futures Scholarships, do not cover tuition for developmental courses. Students should check with the Financial Aid Office.

Early Alert
“Early Alert” is a mid-term warning letter generated during the fall and spring terms. Students determined to be in academic jeopardy in a specific course are encouraged to take the steps necessary to successfully complete their course(s).
Forgiveness Policy

- Allows repeats of courses where “D” and “F” grades were earned. If a student repeats a course that was originally passed with a “C” or higher, only the original grade is computed in the cumulative GPA and earned credits.

- Students transferring to other institutions, either public or private, should contact that institution regarding transfer policy for “forgiven” courses. Retaking a course may impact a student’s specific financial aid package. Contact the Financial Aid Office.

- **NOTE: It is the student’s responsibility to notify the Admissions and Records Office that a course was repeated for grade forgiveness purposes. Forgiveness cannot be applied for a course retaken after a student has graduated.**

Grade Appeals

Any situation requiring an appeal, other than disciplinary or academic dishonesty, should be addressed as soon as possible in a non-confrontational manner. If the situation involves classroom policy or grades, the student should contact the instructor. Problems involving refunds and/or exceptions from college procedures should be addressed with the campus Associate Provost. The Collegewide Student Appeals Committee, comprised of students, faculty and staff, consider appeals that cannot be resolved through regular channels on the home campus. Appeal forms, as well as additional information regarding the appeal process, are available through the campus Associate Provost. Appeals will only be accepted within two years from when the student took the course. See the Student Appeals Section of the Handbook for more information.

Maximum Attempts per Course

A student may have only **three** attempts per course including the original grade, repeat grades and all withdrawals (“counting” begins with courses taken in fall 1997). The most recent grade is included in the computation of the cumulative grade point average. Students will be required to pay 100% of the direct instructional cost beginning with the third attempt. Students who want to pursue an appeal should consult an advisor. A student may appeal the maximum attempt rule if there are extenuating circumstances through the Office of the Associate Provost. Forms and instructions will be available in that office.

**Note for A.A. degree students:** Some senior institutions count all hours attempted and all quality points earned.

**Note VA students:** VA benefits may be received for repeat courses assigned a grade of “D,” if a grade of “C” or higher is required by SBE Rule 6A-10.30 (Gordon Rule).
Attendance Policies

General Attendance Policy
The College recognizes the correlation between attendance and both student retention and achievement. Any class session or activity missed, regardless of cause, reduces the opportunity for learning and may adversely affect a student’s achievement in the course. Class attendance is required beginning with the first class meeting, and students are expected to attend all class sessions for which they are registered. It is the responsibility of the student to arrange to make up all course work missed because of legitimate class absences and to notify the instructor when an absence will occur. The instructor determines the effect of absences on grades. Students who are reported as never attending a course may be withdrawn from the class by the College. Funds may be adjusted or rescinded for students who are receiving financial aid or veterans’ benefits.

In order to obtain credit for a course a student must attend at least 85% of the contact hours for a particular course. However, instructors are given the option of allowing a student to complete the course based on the student’s documented circumstances and his or her progress in the course.

In online courses, instructors define expected interaction between themselves, students and the class learning management system (and/or media). Inconsistent interaction and/or inconsistent use of the learning management system or course materials, regardless of cause, reduce the opportunity for learning.

The instructor may withdraw any student from the course if the student misses more than 15% of the scheduled class sessions and activities. In the case of online courses, any student who is not interactive or responsive in a timely manner, as specified by the instructor, may be withdrawn. Students must be enrolled before they can attend class.

Note: Veterans should refer to the online college catalog for more information about attendance.

Instructor-Specific Attendance Policy
Instructors are required to monitor their attendance and report students who are not attending class during designated reporting periods, normally on a monthly basis, each term. Faculty members shall publish and distribute a class syllabus no later than the end of the second week of class in a given academic term. The syllabus should include the instructor’s attendance policy and may include special circumstances under which students’ absences may be excused and stipulations for making up work and exams missed during instructor-excused absences. Instructors may require a more rigorous attendance policy due to program requirements or state mandates of 100% attendance. Specific course requirements will be noted in their syllabuses.
eLearning Attendance Policy
eLearning at Eastern Florida has a very strict attendance policy that must be adhered to by all online students.

• **3-Day Initial Attendance Policy**: You must complete one or more required Initial Attendance activities in your online course within the first 3 days of the semester. Be sure to check with your instructor regarding your required 3-Day Initial Attendance activities.

• **Regular Attendance Policy**: You must maintain acceptable attendance in your online course. Just logging into your online course does not constitute attendance. You must complete a required activity each week to maintain attendance. If for any reason you believe you will miss any assignment in your course, you must obtain prior approval from your instructor. Do not assume that you can ask for forgiveness or an extension after the fact. Documentation may be required by your instructor.

Religious Observances
When the observance of a student’s religious holiday(s) interferes with attendance in class, class work assignments, examinations, or class activities, the student must notify the instructor in writing within the first week of class. Students are held responsible for material covered during their absence. The instructor should provide alternative arrangements for students to complete the work for the missed session.

Students excused for religious observances will be expected to meet the class requirements for those days without undue delay. Students who believe they have been unreasonably denied educational benefits due to their religious beliefs or practices may seek redress through the student appeal procedure. [F.S. 1001.64, 1002.21, 1006.53]
Access Fee
A $10.00 fee will be assessed for all students upon their first enrollment in any credit class to provide access to the student network Wi-Fi at many locations around the college. Part of the fee also pays for a new print management system. At the beginning of each semester, each registered student will receive a credit of $4.00 in their print manager account for college-wide printing.

Collection of Fees Due
Eastern Florida State College must receive the total amount of tuition due on or before the payment due date. Students who are delinquent may be prohibited from registering and/or changing programs, or from receiving a diploma, transcript or enrollment certification. Eastern Florida State College may utilize the services of an attorney and/or collection agency to collect any amount past due and the student will be charged an additional amount equal to the cost of collection including reasonable attorney’s fees and expenses incurred by Eastern Florida State College.

Fee Payments
Fees will be assessed to the student upon registration for classes. The student’s portion of fees must be paid by the deadline established in the Schedule of Classes. Students may be dropped from course(s) for nonpayment of fees; however, students are responsible for dropping classes they do not plan to take. College Policy Summary

Because the likelihood of success is dramatically reduced for students who abuse drugs, Eastern Florida State College is determined to have drug-free campuses. Illegal use of drugs or alcohol will not be tolerated on any Eastern Florida campus or at any Eastern Florida-sponsored event off campus.

Eastern Florida State College requires applicants to commit themselves to obeying the law and refraining from illegal drug and alcohol activity on its campuses and at its events. Applicants who cannot agree to sign this pledge will not be granted admission to Eastern Florida State College. However, they will be offered, referral counseling to inform them of drug rehabilitation services in the community which may help them. The Student Services Office on each campus can provide further information.

A student who is convicted for a drug-related offense that occurred on campus or while in attendance at a college event will be sanctioned up to and including suspension or expulsion. A student who tests positive for an illegal drug or controlled substance during screening for college-related programs or for program-related clinicals will also be sanctioned up to and including suspension or expulsion.

The College has the responsibility to refer for prosecution anyone engaging in illegal drug or controlled-substance activity on its campuses or off-campus events. A student who is convicted of any drug offense must report it to the Associate Provost on his/her campus within five days. Students may contact the same office for an explanation of appeal rights for each step of the disciplinary process.
Hepatitis B

Hepatitis B is a virus that infects the liver. With this disease, signs and symptoms occur in about 30 to 50% of patients infected. Only 30% have jaundice (yellowing of the skin and whites of the eyes). Children under the age of five rarely have symptoms of hepatitis. When and if symptoms occur, patients may show signs of jaundice, fatigue, abdominal pain, loss of appetite, nausea, vomiting, and joint pain. Some patients will become chronically infected with Hepatitis B. This will occur in up to 90% of children born to mothers who are infected, 30% of children infected at one to five years, and six percent of persons infected after age five. Death from chronic liver disease occurs in 15-25% of chronically infected persons – 1.2 million individuals are chronic carriers of Hepatitis B in the United States. The World Health Organization (WHO) estimates that approximately 5% of the world’s populations are chronically infected with Hepatitis B. One million die from Hepatitis B worldwide each year. In the United States approximately 80 thousand become infected and approximately 3,000 die annually from Hepatitis B. Risk factors for Hepatitis B are individuals whom have multiple sex partners or diagnosis of sexually transmitted diseases, men who have sex with men, sex contacts of infected persons, injection drug users, household contacts of chronically infected persons, infants born to infected mothers, infants/children of immigrants from areas with high rates of Hepatitis B, some health care workers, and hemodialysis patients. You should not be vaccinated with this vaccine if: • you have ever had a life threatening allergic reaction to baker’s yeast (used to make bread), • you have ever had a severe allergic reaction to previous dose of Hepatitis vaccine or, • you are moderately or severely ill at the time of a scheduled vaccine with Hepatitis B (you should wait until you recover from the condition). Individuals who take these vaccines should have few if any side effects. These diseases are always much more severe than the vaccine. A few individuals may experience:
• Soreness and/or redness where the shot was administered, lasting a day or two,
• Mild to moderate fever, again lasting a day or two. Severe reaction is extremely rare!

HIV, AIDS & Other Life-Threatening Diseases
When an employee or student becomes aware that he/she has a serious medical condition, such as HIV, AIDS or another life-threatening communicable disease, the student or employee is encouraged to seek assistance from the college. Specific information relating to HIV or AIDS can be obtained by calling 1-800-FLA-AIDS.

The college conforms to the American College Health Association’s recommended standards for confidentiality of information pertaining to the medical situation of employees and students as presented in the Recommended Standards for a College Health Program, 4th edition, 1984. These standards include: “. . . no specific detailed information concerning complaints or diagnosis to be provided to faculty, administrators, or even parents without the expressed written permission of the patient in each case. This position with respect to health records is supported by amendment to the Family Education Rights and Privacy Act of 1974.” Although Eastern Florida State College does not REQUIRE vaccination against meningococcal disease or Hepatitis B for students, Eastern Florida strongly encourages everyone attending the College to be aware of the symptoms, risk factors, preventative measures, and cure for these diseases.

Meningococcal Disease
An acute bacterial disease, characterized by sudden symptoms of fever, intense headache, nausea and often vomiting, stiff neck and frequently a petechial (small purplish red spots) rash which may appear pink in color. Symptoms may mimic Influenza, however Influenza rarely has vomiting or other gastrointestinal symptoms. Approximately 2,500 to 3,000 individuals are diagnosed with Meningococcal disease in the United States annually. Most cases seem to occur in the late winter to early spring. Although Meningococcal disease is primarily seen among very small children, this disease occurs commonly in children and young adults. College students particularly whom reside in dormitories may be at increased risk for Meningococcal disease. The general population may have an incidence of 1.1 per 100,000 while those students in dormitories have a rate of three to five cases per 100,000. Transmission occurs by direct contact, including droplets from the nose and throat of infected persons. The exchange of saliva by kissing, sharing of food utensils, and sharing cigarettes is the most common modes of transmission among college students. Before early diagnosis, modern therapy and supportive measures the death rate exceeded 50%. The vaccine is administered with one dose for individuals two years of age. The vaccine may be given to pregnant females. You should not be vaccinated with this vaccine if you have had a serious allergic reaction to a previous dose of this vaccine or are mildly ill at the time of scheduled Meningococcal vaccine.
Eastern Florida State College maintains certain practices and procedures to assure compliance with the Family Educational Rights and Privacy Act (FERPA). This law affords students certain rights with respect to their education records.

Student Directory Information
Directory information means information contained in a student’s educational record that generally would not be considered harmful or an invasion of privacy if disclosed. Under the terms of FERPA, the College has established the following as directory information.
- Student’s name
- Degree of study
- Participation in officially recognized college activities
- Weight and height of members of athletic teams
- Terms of attendance
- Degrees and awards received

Although the above directory information may be available for release, the College does not routinely release such information to third parties. Information may appear in Eastern Florida generated documents such as the graduation commencement programs, Eastern Florida publications, student IDs, and news releases of awards. Eastern Florida e-mail addresses may be made available to students in distance learning environments where electronic communication between students is required. In addition, students’ names and addresses will be given to selected institutions of higher education for recruiting purposes and military branches in accordance with federal guidelines. Military branches also will be given phone numbers.

What Does This Mean?
When a student turns 18 years of age or attends a postsecondary institution, the student, and not the parent, may access, seek to amend, and consent to disclosures of his or her education records. Only the student may request access to his or her education records. Only the student may register for classes. The student may grant permission for a third party to do this only by signing a release form which specifies exactly who, what and when the designated person may access the student’s information.

Non-directory Information
Non-directory information is personally identifiable information such as grades, transcripts, GPA and academic standing. The College does not release this information without written authorization from the student. If a student wishes to allow any personally identifiable information regarding their educational record released to a third party, a “Permission to Release Educational Record Information” form must be completed by the student. The forms are available in the admissions and records office on any campus.
**Student Right to Privacy / Collection of SSN**

Florida Statute 119.071(5)(a), (§§483, 484) of the Higher Education Act of 1965 authorizes the collection, usage and release of your social security number by Eastern Florida State College.

Eastern Florida collects, uses, and releases your SSN only if specifically authorized by law to do so or it is imperative for the performance of its duties and responsibilities as prescribed by law. To protect your identity, the College will secure your SSN from unauthorized access, and strictly prohibits the release of your SSN to unauthorized parties contrary to state and federal law, and assigns you a unique student/employee identification number. This unique ID number will then be used for all associated employment and educational purposes at Eastern Florida.

The College's complete notification of social security number collection, usage and release procedure can be found on the Eastern Florida website.

The College has instituted procedures to provide a channel for the resolution of various types of problems or complaints by students and applicants for admission concerning College policies or College employees. Retaliatory action of any kind taken by an employee of the College against any student involved in any aspect of the grievance procedure is prohibited and shall be regarded as a separate and distinct grievous matter per College policy.

Students who feel that they have been injured in some fashion by unfair treatment (on the part of a College employee, or under any of the College policies, procedures, programs or activities) or by discrimination or harassment (on the basis of age, color, sex/sexual orientation, religion, national origin, race, political affiliation, marital status, veteran status, or physical or mental disability) have the right to initiate informal and (optionally) formal grievance procedures.

The informal procedure is intended to encourage a satisfactory resolution of the student’s complaint at the earliest possible point in time. Whereas such informal resolution is not attainable, the formal grievance provides a secondary route for the student to take.
60 calendar days  The College allows a student who believes he/she has been discriminated or harassed a time limit of sixty (60) calendar days from the date of the alleged incident to file a complaint with the Associate Vice President/Equity and Diversity Officer. This will require that the student complete a grievance input form, identifying himself/herself, the respondent (alleged discriminating party), identifying the date and place of the alleged discriminatory action, describing the alleged incident and identifying the resolution sought.

10 business days  The Equity Officer or his/her alternate will contact the immediate supervisor and arrange for the immediate supervisor to attempt to resolve the differences between the two parties within ten (10) business days. The Equity Officer will monitor the progress of the grievance resolution and, if no satisfactory resolution is achieved, will escalate the matter to the Campus Associate Provost.

10 business days  The Campus Associate Provost has ten (10) business days to attempt to resolve the differences between the aggrieved student and the respondent. The campus Associate Provost may also consult the immediate supervisor of the respondent. The Campus Associate Provost and the Equity Officer will document the case, including the allegation, the settlement attempts, and any resolution reached and provide copies of this memorandum to the immediate supervisor of the alleged discriminating party, to the Campus Provost, and to the Campus Associate Provost.

FORMAL PROCESS
If the informal process does not resolve the issue, the aggrieved student may request that his/her grievance be forwarded to the Campus Provost as a formal written complaint.

10 business days  The Equity Officer will forward the complaint/grievance information to the Campus Provost. He/she has ten (10) business days to resolve this matter.

The Equity Officer will also forward a copy of the complaint/grievance information to the Office of the President.

If the Campus Provost cannot resolve the issue:

15 business days  The Equity Officer or his/her alternate will convene a three-member Hearing Panel consisting of one person each from complainant peer group, respondent peer group, and College administration. Appointed members of the Hearing Panel shall be limited to full-time employees and full-time students.
The Hearing Panel shall convene the hearing, calling together the interested parties, witnesses and other parties deemed necessary as advisors. Only the appointed members of the Panel will vote on the recommendation to be made. They have a total of fifteen (15) business days from the time the Campus Provost acted upon the complaint to develop a recommendation.

5 business days After the close of the hearing, the Equity Officer will prepare a report outlining each issue the panel considered; summaries of important evidence brought to bear on the issue; conclusions, and recommendations as to action, and present it to the College President within five (5) business days.

5 business days Within five (5) business days, the President will make a final decision in the case, and forward a copy of the final decision to the Equity Officer who will contact the student and all involved parties including the supervisor of the alleged discriminator, the Campus Associate Provost and the Campus Provost.

APPEAL PROCESS
If the student is not satisfied with the decision of the Hearing Panel, he/she must contact the Equity Officer in writing to request an appeal within five (5) business days of student’s receipt of reported findings.

The Equity Officer will forward the appeal request and case file to the President within five (5) business days of receipt of student’s appeal.

Only those individuals necessary for the investigation and resolution of the complaint shall be given information regarding the situation in question. The College cannot, however, guarantee that the identity of the complainant will be concealed from the accused harasser. When reasonable, the College will consider requests for separation of the primary parties during the investigation.
In order to ensure that a complete investigation of harassment claims can be conducted, it may be necessary for the College to disclose to others portions of the information provided by the complainant. The College will make every effort to honor any complainant’s or respondent’s request that the College not disclose certain information provided, consistent with the College’s obligation to identify and to correct instances of harassment, including sexual harassment.
